Welcome to Ace Tennis Australia

Welcome from Andrew

The Ace Tennis Australia Coaching Team and I would like to welcome you and your children to our 2010 program, and a warm welcome back if you are re-joining us again this year.

Program Information Summary

The Ace Tennis Australia Team is made up of some of Brisbane's leading Senior Qualified Coaches, and are supported by a very talented group of up-and-coming Qualified Junior Coaches.

Myself (Andrew Grocott), Mark Lewis have over 20 years each of experience working with, training, developing and producing Queensland's Junior Tennis players. Mark Lewis is based at St Peters, with myself floating in between the locations, of Toowong, St Peters and Chapel Hill. This means that I will personally be in attendance at least one out of every two lessons, and in a lot of cases, I will attend every lesson at certain locations on certain days. Each Coach is qualified in their own right (see next page), and I am sure you will find them excellent with your Child/ren alongside of me or in my absence.

As I run the business administratively, I can't be on court as much as the other coaches, in order to ensure the business continues to be Viable. If you want exclusively my coaching on court, please speak to Me regarding private tennis lessons.

As we utilise a specific system with regard to our coaching, you will find all coaches work on similar lesson areas —see specific program your Child is enrolled in (or e-mail and ask Andrew to obtain it for you).

The ACE Coaching Philosophy

Our Coaching program offers both Ace Tennis Specific Coaching programs along with our General Coaching and Tennis Fixture programs— please refer to our enrolment form services brochure for more program details.

Also, private lessons are available for those who wish to speed up their improvement or have the learning advantages that come with the use of a digital video camera.

In coaching Term 1, 2010, lesson coaching content will primarily be focused on doubles in our 30, 45, 60 and 90 minute Classes (see individual programs for full specific

explanations of our teaching syllabus).

Each week concepts and techniques will be built within the term theme of developing the necessary techniques to implement

successful doubles strategy and tactics. Thus, every lesson is carefully planned in relation to the term goals that have been set, and individual player areas of need. All lessons are conducted by Mark, Andrew or Lisa (our senior Coaching Staff), and with some of our assistant Ace Tennis Australia Team (junior Coaching Staff).

Our Ten-Spec TM games sense

teaching philosophy enables us to work on individual goal areas just not one common group goal each week. Therefore, our aim is to create an environment that is conducive to effective learning and fun.

However, maximum improvement can only be achieved with regular practise and participation in a fun-based tennis fixtures from our General Coaching programs.

ACE TENNIS AUSTRALIA 2010—PROGRAM TERMS AND CONDITIONS (PLEASE BE AWARE OF THESE)

Ace Tennis Australia employs 4 State School Terms per Calendar Year. This will mean that some terms the fees are higher or less depending on the number of weeks is the up-coming term, as some school terms are 8 weeks, 10 weeks, and even 11 weeks. The 2010 Queensland State School Terms (system we run with) are indicated on the invoice. Payment can be made by cash, money order, cheque or via the internet – refer to program invoice.

Program fees are based on one program per week, dependant on the group size. Should additional programs per student be required per week, Membership program discounts are made available as shown, as explained above (**only available to Ace Tennis Australia Members**). Membership program discounts only apply to fees paid in full 21 days prior to the commencement of the term.

Credits or refunds cannot be given after commencement of the first week of the program, as commitment from coaches, and other players is established. However, students affected by long-term injury or illness, are eligible to attend make-up sessions at the end of the illness or injury period, upon presentation of a Doctors certificate. This is due to coaches being committed to a location and lesson time for the duration of the coaching period by the end of the first week of that period, and the need to meet the financial obligations of employing coaches and court hire.

If your Child misses a lesson, it is your responsibility to call us if you require a make-up lesson. However, due to our class max limit numbers, we cannot guarantee a replacement class and hence this does not warrant a reduction from the term fee or a credit.

Based on the requested group size (6, 4 or 1 – in case of private lessons), *Ace Tennis Australia* will endeavour to arrange a complete group. If a full group cannot be arranged a class may not be able to take place at that time. Hence, commitment to a lesson time is non-refundable once enrolled as this may forfeit the session for the whole class due to the class becoming financially unviable. However, new students are able to try an initial obligation free trial lesson. If they choose not to continue in the program their coaching fees will be refunded.

If tennis fixtures or lessons are cancelled due to rain, a message will be placed on our phone one hour before commencement of a lesson is due to occur. Please call 0403 128 235 to check if your lesson will proceed in the event of wet weather.

Should lessons be affected by public holidays or pupil free days, make-up classes will be organised to ensure students receive their scheduled lessons, in the particular term. If tennis fixtures or lessons are cancelled due to rain, parents will be contacted before the session time. If you are not contacted you can assume the session is on. If unsure please call us. Everyone is expected to attend the make-up session, if not in the scheduled session another one during the week. Non-attendance at make-up sessions does not warrant a credit for the session or deduction from the term fee. A credit or a refund will only be given for tennis fixtures that are cancelled due to rain.
